

## OPEN HOUSE: ALL ABOUT KNEES

**Wednesday, March 18th at 7:00PM**

Our mission is to provide our patient community with science-based and innovative orthopedic care. **This Spring's open house is all about knees. Come learn about the most common knee problems and what can be done to keep your knees going strong for you for years to come.**

- Meniscal tears
- Ligament and cartilage issues
- Osteoarthritis
- Mako Robotic-Arm Assisted Surgery for Knee Replacement

**APPETIZERS & DRINKS SERVED. SPACE IS LIMITED. RSVP TODAY!**
